Assistance shall be in the form of a 0% interest loan secured by a second mortgage and note. Maximum term is twenty years. Refinancing with the purpose of achieving greater affordability such as by lowering the interest rate, reducing the number of years of the original mortgage, adding living space due to an increase in household size, and debt consolidation will be approved on a case-by-case basis, one time only and the loan must be in good standing for a minimum of eighteen months as long as there is no cash paid to the homeowner.  
The homeowner may repay the loan in full without penalty. All funds repaid to Sumter County shall be considered “program income” as defined in s. 420.9071(24).  
  
Default of the loan occurs if the original owner of said mortgage or note no longer lives in the home or it is not the owner’s primary residence, or title is transferred, voluntarily or by operation of law which includes but is not limited to foreclosure. Default requires immediate repayment of the SHIP loan in full. The County reserves the right to foreclose if payment is not made.

Assistance is provided on a first-come, first-qualified, first-serve basis following annual advertisement of the availability of SHIP funds.
